Emergency Medicine Australasia

Official Journal of The Australasian College for Emergency Medicine (ACEM) and the Australasian Society for Emergency Medicine (ASEM)

Source: Blackwell Publishing

Author(s): George A. Jelinek

ISSN: 17426731

EISSN: 17426723

Emergency Medicine Australasia publishes peer-reviewed articles, case reports, reviews and opinions on the research and clinical practice of emergency care. Emergency Medicine Australasia, with its strong interest in the effectiveness of emergency diagnostic and therapeutic techniques, is the journal of choice for anyone concerned with improving patient care in the pre-hospital and hospital emergency settings. As the leading journal in the specialty of emergency medicine in the Asia Pacific region, Emergency Medicine Australasia is committed to the furthering of scientific research, the support of educational objectives, and the dissemination of information to the emergency medicine community.
