

Exercise and Sports Science Reviews

Exercise and Sport Sciences Reviews is an official journal of the American College of Sports Medicine.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Priscilla M. Clarkson

ISSN: 00916331

EISSN: 15383008

The mission of this American College of Sports Medicine publication is to provide premier quarterly reviews of the most contemporary scientific, medical, and research-based topics emerging in the field of sports medicine and exercise science. The publication strives to provide the most relevant, topical information to students, professors, clinicians, scientists, and professionals for practical and research applications.
