## Manual Teórico de Anestesiologia para o Aluno de Graduação

---

*Source: Editora Atheneu*

*Author(s): Costa Auler*

As Brazil's leading medical publisher, Editora Atheneu has been providing award-winning Portuguese- and Spanish-language biomedical content in everything from pediatrics and psychiatry to geriatrics and veterinary science for more than 30 years. Manual Teórico de Anestesiologia para o Aluno de Graduação focuses on clinical medicine and anesthesiology and is written in Portuguese.
