Dr. Baker's widely used Handbook of Pediatric Primary Care has now been updated and expanded into two volumes—Pediatric Primary Care: Well-Child Care and Pediatric Primary Care: Ill-Child Care. These practical handbooks provide easily accessible information on virtually every problem encountered in the primary care of children.

Pediatric Primary Care: Well-Child Care focuses on health maintenance supervision and behavioral and developmental pediatrics. New chapters cover newborn screening, the sports physical, the adolescent visit, injury prevention, telephone medicine, and medical informatics. A significantly expanded behavioral and developmental section includes new chapters on negative behaviors, childhood sexuality, and attention deficit hyperactivity disorder.

**Publication Year:** 2001  
**Edition:** 1st Ed.  
**Author/Editor:** Baker, Raymond C.  
**Publisher:** Lippincott Williams & Wilkins (LWW)  
**ISBN:** 978-0-781-72889-8
