A Textbook of General Practice

An essential guide to general practice and being a general practitioner - written specifically with the medical student and foundation doctor in mind, reflecting current teaching practice.

Readers are encouraged to learn through doing, with practical exercises throughout the book. Student and tutor quotes offer insights into personal experience, while thinking and discussion points encourage reflection. With content entirely updated to reflect the latest recommendations from Tomorrow’s Doctors, the third edition of A Textbook of General Practice is the number one choice for undergraduates seeking a narrative introduction to this important discipline.
