No matter what your learning style, whether you are studying a subject for the first time or revisiting it during exam preparation, Medicine on the Move will give you the support you need.

The Medicine on the Move series provides fully flexible access to subjects across the curriculum in a unique combination of print and mobile formats ideal for the busy medical student and junior doctor. Neurology and Clinical Neuroanatomy on the Move provides sharply focused content equally suited to those studying the subject for the first time or revisiting it during exam preparation.
