Nearly 1,700 outstanding images, including a wide variety of pathology stains and high-quality medical illustrations, make this an invaluable diagnostic aid for every practicing pathologist, resident, or fellow.

Part of the highly regarded Diagnostic Pathology series, Diagnostic Pathology: Neuropathology is a visually stunning, easy-to-use reference covering all aspects of neuropathology.

This second edition incorporates the most recent clinical, pathological, histological, and molecular knowledge in the field to provide a comprehensive overview of all key issues relevant to today's practice.
