A classic nursing reference, the fully updated
Lippincott Manual for Nursing Practice, 11th Edition
offers expert nursing knowledge and much-needed practical guidance on
patient care.

Authoritative yet easy to follow, this comprehensive text guides you through the
nursing concepts and skills particularly vital for medical-surgical assessment, care,
and treatment. Essential for both in-the-classroom and on-the-unit guidance, this
is the expertise that all students, new nurses, and medical-surgical nurses need to
grasp essential nursing concepts, care management, and procedures.

Discover the insights and data that every nurse needs:
