Dewhurst's Textbook of Obstetrics and Gynaecology

Designed for trainees and to support experienced practitioners, this is the guide to women’s reproductive health.

The knowledge needed for careful and effective practice of obstetrics & gynaecology continues to grow. Dewhurst's Textbook of Obstetrics & Gynaecology distils evidence and experience into a straightforward, practice-based guide to women's reproductive health.

This 8th edition has been comprehensively updated to reflect modern clinical needs. Summary boxes throughout enable rapid assimilation of key information for effective clinical practice.
