Available on OVIDMD only. Contains all the essential information needed for a successful internship.

Designed to help residents improve their skills from their very first day on the wards, this pocket-size reference book offers practical medical advice for the top 10 workups and common calls and complaints residents will encounter during their rotations, including key history, what not to miss, and when to call for help.

Features:
• Includes a quick-reference detachable 12-panel pocket card with step-by-step instructions and full-color illustrations of procedures
• New sections offer valuable insights into patient safety and risk management
• Expanded coverage gives reader a better understanding of pain management and critical care
• Thorough updates give residents the most current medical practices
