This brand new implementation guide works hand in glove with the Safe Patient Handling and Mobility Interprofessional Standards to streamline SPHM program success.

The Implementation Guide gives step-by-step ways to implement each of the eight overarching SPHM Standards, and includes:

- A snapshot introduction that frames today’s practice context and SPHM experiences.
- Numerous detailed ideas and insights for employers and healthcare workers.
- Extensive resources and readings in the latest research, techniques, and methodologies.
- Setting-specific examples of how the Standard can address issues and challenges.
