Nursing Care Planning Made Incredibly Easy! UK Edition

Care planning is an essential part of nursing, yet it is an area that students frequently experience difficulties with.

Nursing Care Planning Made Incredibly Easy! is the answer! It is the resource every student needs to master this vital subject, focusing on the skills necessary to develop patient-specific, relevant, timely nursing care plans. Starting with the nursing process, the book provides the foundations for writing practical care plans, walks students through the care planning process, builds the critical thinking skills needed to individualize care, and offers tips on incorporating evidence-based standards and rationales into nursing interventions. Handy examples of care plans appear throughout the book.
