Rhinoplasty

Provides guidance from world-renowned experts on every aspect of rhinoplasty, from the functional to the cosmetic.

The book opens with a section on initial patient assessment and consultation, moves on to such topics as surgery of the septum, with separate sections on the nuances of functional nasal surgery and revision rhinoplasty, and concludes with a section on avoiding and managing surgical complications. Each chapter is written by an expert on a specific topic and presents tried-and-true rhinoplasty techniques that can be readily implemented by facial plastic surgeons.

Key Features:
