Leadership in Nursing Practice: Changing the Landscape of Health Care

Provides nursing students with the leadership skill-set they will need when entering the field.

This text distinguishes between leadership and management and emphasizes translation applications that prepare the student for transition into leadership roles. Leadership in Nursing Practice covers many different topics including leadership, transitioning to the professional role, time management, finance/fiscal management, communication/negotiation, ethical decision making, career management, and much more!

Features:
- Definition of theoretical underpinnings
- Strengths and weaknesses of different approaches
- Case scenarios
- Figures/tables
- Key points
- Real-life examples
- End of chapter assessments
