A physician's time is limited in the ED, and lengthy paragraphs that take several sentences to make a management recommendation are no longer useful to the emergency physician at the point of care. This Atlas allows emergency physician to quickly look up a diagnosis and make the appropriate management decisions in 3 minutes or less.

Features:
- Visual presentation of the most common disorders that present in the emergency room
- New editorial board, including young and up-and-coming emergency physicians
- New table of contents focused on key disorders emergency medicine physicians see in practice
- New chapter template emphasizes bulleted text organized by Clinical Presentation, Diagnosis, and Management
