Enough already...Start doing what works at work!

Tired of trying to keep employees motivated and not getting anywhere? Frustrated with outdated management systems and performance evaluations that waste your time? The controlling, caretaking, and top-down decision-making we’ve done for so long doesn’t work! Real change hinges on shedding a hierarchical mindset and moving from parent to partner with your teams. But where do you start?

Enough Already! Start Doing What Works at Work offers a roadmap to positively impacting your workplace, making the case for a more commonsense approach to management. If you can start doing what works at work, you can create a future that’s different from the past. There’s no more time to waste!
