This pithy reference guide for nurses in the preceptor role is brimming with information about how to successfully educate, protect, socialize, and evaluate nurses transitioning into a new environment.

In an easy-access, bulleted format, this resource helps preceptors establish clinical objectives, execute evaluation and feedback techniques, identify role responsibilities, develop positive communication skills, and develop effective teaching/learning strategies.

Key features:
- Delivers vital information on all aspects of successful nurse preceptorship in a concise, easy-access format
- Includes evidence-based content throughout
- Provides guidance on identifying and developing successful nurse preceptors
- Addresses organization, prioritization, delegation, effective communication, conflict resolution, and the development of critical thinking skills
- Offers key information on competency assessment and evaluations
- A special "Preceptor's Problem Solver" chapter addresses clinical issues unique to the nurse preceptor's role
