Marino's The Little ICU Book

Quick lookup for the most essential info in critical care!

Ideal for quick reference at the bedside, The Little ICU Book is a condensed, compact version of The ICU Book, Dr. Marino’s best-selling comprehensive intensive care reference. The Little ICU Book zeroes in on only the essentials for the hands-on care of critically ill adult patients. Its fast-access format makes it an indispensible resource for residents as well as busy critical care physicians.

Key Features:
- Apply the latest know-how with comprehensive updates throughout the book.
- Find the answers you need quickly with a concise outline format and Dr. Marino’s accessible, reader-friendly writing style.
- Grasp visual concepts at a glance through abundant clear, colorful illustrations and tables.
