Policies and Procedures for Infusion Therapy of the Older Adult

Policies and Procedures for Infusion Therapy of the Older Adult, 3rd edition, is a completely revised edition which reflects the Infusion Therapy Standards of Practice (2016).

It is your updated guide to clinical practice for the older adult patient. This edition's format has been broadened to include both policies and procedures. Also, additional sections have been added that address key points, patient/caregiver education, assessment, and home care/alternate site implications.
