Oxford Handbook of Children's and Young People's Nursing

This is a concise and practical guide covering all essential elements of children's and young people's nursing practice.

Concentrating on the special challenges of children's and young people's nursing, this unique book gives concise, practical, and expert advice on the care of children and young people in a family context. Coverage of basic principles and emergency protocols will enable any nurse to deliver safe and effective care. An invaluable guide to almost all clinical scenarios, the handbook is written by practicing nurses and contains a wealth of hints and tips.

Features:
* Written by practicing nurses and checked by subject experts
* Patient centered and evidence-based
* Fast access to concise, practical, clinical information
* Covers assessment, management and advice to the family
* Includes paediatric emergencies and emergency care protocols
