ACSM's Primary Care Sports Medicine

Comprehensive sports medicine reference geared to primary care practitioners.

Ideal text for physicians studying for the Certificate of Added Qualifications in Sports Medicine that is now offered in many disciplines including family practice, internal medicine, emergency medicine, pediatrics, physical medicine and rehabilitation, and osteopathic medicine.

This revised and updated Second Edition is published in association with the American College of Sports Medicine, and includes more practical information. The new, more user-friendly format features numerous illustrations, charts, and tables, including full-color illustrations.
