Creative Nursing Leadership and Management provides relevant theory and ties it to practice by allowing learners to use critical thinking activities in a safe classroom environment.

The text focuses on creating leadership opportunities and creative solutions; using information technology; managing resources and change; delegation and succession: developing staff; and creative political, legal, ethical, effective, and safe interventions to keep staff engaged.

Key Features include:
- Chapter behavioral objectives for both beginning and more advanced learners
- Research Boxes summarizing relevant studies
- Leadership in Action case studies making theory come to life
- Leadership Challenge questions encouraging in-class discussion
- Leadership Tips that show readers how to apply theory in actual leadership situations
- Leadership Exercises featuring small group, simulated and role playing situations
- Web links, key terms and definitions, and key summary points
- Test and discussion questions
- Leaders Speak, a special section featuring real-life nurses sharing their secrets about becoming creative nursing leaders
