Pocket Guide for the Home Care Aide

A convenient guide of home care, hospice services, and reimbursement information in easy-to-understand terminology.

Pocket Guide for the Home Care Aide is the perfect everyday reference when working with patients in their homes. It facilitates the unique needs of the home care aide as an integral part of the home care organization and serves as a comprehensive, daily resource.

This handy pocket guide provides an overview of the essential elements of orientation for the home health aide, as well as self assessment and development tools. It provides procedures for basic home health aide skills and gives information about the most common home health diagnoses.
