Quick Look Nursing includes chapters in biological, psychological and social information that includes information on genetics, fetal development, cognition and information processing, roles of families, peers, school and society and many other chapters.

Quick Look Nursing presents information from the nursing core curriculum in a unique format that sets it apart from anything else available. These essential texts are helpful as course supplements and study aids for course examinations. Organized into short chapters accompanied by comprehensive illustrations of the subject matter, the texts allow readers to grasp a large amount of information quickly, maximizing their study time.
