Nurse's 5-Minute Clinical Consult: Treatments, provides instant access to information on more than 200 medications, surgeries, and other therapies, including key procedural steps and nursing interventions.

Each treatment is presented on a page or two-page spread. Recurring headings include indications, procedure, complications, nursing diagnoses and patient outcomes, pre-treatment care, post-treatment care, and patient teaching. Icons highlight information that is critical for patient safety and age-related concerns. Illustrated, reproducible patient teaching guides are included for many treatments. Scores of illustrations, photos, and quick-scan tables and charts complement the text.
