Interventional Cardiology: 1001 Questions: An Interventional Cardiology Board Review

Rely on Ovid as the trusted solution that transforms research into results

Thoroughly updated and expanded, this edition contains more than 1001 questions that mimic the actual exam to ensure highly targeted, high-yield

Answers with concise explanations and up-to-date references are included to maximize understanding and retention. Indications for particular procedures - a major focus of the board exam - are integrated throughout the text, particularly in the context of ACC/AHA guidelines to help prepare every candidate.
