All Things Nursing provides quick access to essential information in all areas of nursing. Coverage includes assessment techniques and tips, skills, pain management, drugs, infection control, ECGs, laboratory tests, and disease profiles. The book also provides timely information on legal aspects of nursing, such as liability, organ donation, and documentation, and on career opportunities in nursing, including education, research, and travel nursing. Topics covered include both general nursing and all clinical specialties—emergency, critical care, medical-surgical, maternal-neonatal, and pediatric nursing.
