Assessment: A 2-in-1 Reference for Nurses

This unique 2-in-1 reference presents vital information on history taking, physical examination, and interpretation of findings in two practical, helpful ways on every page.

The wide inner column contains detailed narrative text; the narrow outer column contains brief bulleted summaries of the same information. This format enables nurses to quickly scan the bulleted points and jump to more detail as needed without turning the page.

Two 8-page full-color inserts bring to life assessment techniques and landmarks. Icons highlight specific techniques; lifespan, gender, and racial differences in findings; and abnormal findings.
