Assessment: An Incredibly Easy! Workout features over 200 enjoyable practice exercises to help readers master assessment with ease.

A perfect companion to Assessment Made Incredibly Easy!, this workbook uses the light-hearted Incredibly Easy! writing style that makes learning and reviewing complex information less threatening and more fun.

Chapters test the reader's knowledge of the anatomy, physiology, assessment, and common abnormalities of each body system. In each chapter, readers review key information and then maneuver through practice exercises that assess learning, encourage comprehension and retention, and provide a little laughter. Nurse Joy and other host characters offer coaching and encouragement.

Publication Year: 2008
Edition: 1st Ed.
Author/Editor: Springhouse
Publisher: Lippincott Williams & Wilkins (LWW)
