Cleveland Clinic Intensive Review of Pediatrics, The

Provides the core pediatric material you need to know in a practical format ideal for board review and preparation.

Up-to-date subspecialty chapters provide concise overviews with bulleted lists, tables, photographs, and radiographs, as well as new multiple-choice questions with detailed rationales. Board simulation chapters in every section and at the end of the book, along with three practice exams, build your test-taking skills.

Key Features:
- Evaluate your strengths and weaknesses, review important concepts efficiently, and gain experience answering board-style questions.
- An essential resource for physicians preparing for certification or recertification, and for primary care physicians seeking to update their knowledge of pediatrics.
- Written primarily by distinguished faculty from Cleveland Clinic Children’s Hospital.
