Core Curriculum for Infusion Nursing

An official Publication of the Infusion Nurses Society.

Brought to you by the global authority in infusion therapy, the Core Curriculum for Infusion Nursing, Fourth Edition is the ultimate preparatory resource for the Certified Registered Nurse Infusion (CRNI) examination. The Core Curriculum provides a broad understanding of the specialty, serving both continuing education and professional development needs.

The completely revised fourth edition covers the latest technological advances in infusion therapy and reflects the recent expansion of the practice of infusion nursing. A detailed outline format makes it easy to retrieve and review essential facts. Organized in nine core content areas, each chapter serves as the basis for the development of test questions for the CRNI exam.

Expanded & new content:
- Advances in technical and clinical applications
- Addition of biologic therapies
- Updates on pharmacologic and antineoplastic drugs
- Reflects expanded scope of nursing practice
