Lippincott Manual of Nursing Practice Pocket Guide: Pediatric Nursing

Designed for quick, easy point-of-care reference, this spiralbound pocket guide covers every aspect of pediatric nursing in a concise format that is packed with bulleted facts, tables, and illustrations.

Five tabbed, distinctively colored sections cover Disorders, Diagnostic Tests, Treatments, Procedures, and Clinical Tools such as growth and development assessment parameters, developmental milestones, drug calculations, infusion therapy guidelines, immunization schedules, and weight and temperature conversions. Topics in each section are arranged alphabetically and follow a consistent format. Recurring icons highlight key points such as life-threatening disorders, interdisciplinary care, patient teaching topics, and color illustrations of pathophysiology.
