Lippincott's Review Series: Medical-Surgical Nursing

Part of the popular Lippincott's Review Series, this paperback book is the most comprehensive outline-format review of medical/surgical nursing for undergraduate nursing students. This fourth edition includes new NCLEX-style innovative item questions.

The volumes in this series can be used for course/subject review, or NCLEX preparation. Core nursing content is presented in a comprehensive outline format review, plus chapter study questions and a comprehensive examination, both with answer key with rationales for correct and incorrect responses.
