Lippincott's Review Series: Mental Health and Psychiatric Nursing

Part of the popular Lippincott's Review Series, this paperback book is the most comprehensive outline-format review of mental health and psychiatric nursing for undergraduate nursing students. This thoroughly updated fourth edition includes new NCLEX®-style alternate-format questions.

The book is ideally suited for course and subject review and for NCLEX® preparation. Each chapter includes NCLEX®-style questions with answers and rationales, and a comprehensive test and answer key appear at the end of the book.
