Designed to fit comfortably into a pocket, Medical Spanish Made Incredibly Quick! is the perfect point-of-care reference and communication tool for health care professionals who work with Spanish-speaking patients. The book covers the basics of pronunciation and provides translations for hundreds of medical terms and questions, organized logically into sections on assessment, procedures, medications, teaching, and nutrition. Questions are phrased in yes-or-no format to elicit the most useful information from patients. The book includes visual communication tools such as a picture dictionary and see-and-point pictures.
