Oxford American Handbook of Critical Care

The Oxford American Handbook of Critical Care is the perfect resource for critical settings that demand quick and effective intervention.

Thin and light, the handbook uses bulleted text, quick reference tabs, four-color presentation, and bookmark ribbons to help provide fast answers on the ward. This new handbook is ideal for students and residents who want a succinct, comprehensive, and affordable volume.

Written by leading American practitioners, the Oxford American Handbooks of Medicine each offer a pocket-sized overview of an entire specialty, featuring instant access to guidance on the conditions that are most likely to be encountered. Precise and prescriptive, the handbooks offer up-to-date advice on examination, investigations, common procedures, and in-patient care. These books will be invaluable resources for residents and students, as well as a useful reference for practitioners.
