Anatomy & Physiology: An Incredibly Visual! Pocket Guide presents anatomical structures in vivid detail, features easy-to-understand physiology flowcharts, and highlights information pertinent to special patient.

The latest spinoff of the Incredibly Easy! Series®, the Incredibly Visual! Pocket Guides are compact, carry-anywhere references that use stunning full-color photos and illustrations and brief, easy-to-read text to present must-know clinical concepts. Ideally suited for visual learners, the information is easy to learn and recall because the visual images leave a lasting impression, and most topics are covered on a two-page spread.
