Neurology & Psychiatry: 1,000 Questions to Help You Pass the Boards

This book is an excellent review for neurology residents and practicing neurologists studying for the American Board of Psychiatry and Neurology certification and recertification exams.

The book has 1,000 multiple-choice questions that mimic the Boards, along with answers and explanations. The neurology and psychiatry sections consist of chapters on specific topics that are emphasized in the Board exams. Neurology High Yield Points, Psychiatry High Yield Points, and Psychiatry Factoids chapters list the most important points for quick review just prior to the exam.
