Part of the popular Pocket Notebook Series, Pocket Anesthesia, Third Edition is a practical, concise guide to anesthetic management of the most common perioperative conditions.

Now fully revised and up to date, this portable handbook provides essential information needed by residents, anesthesiologists, CRNAs, and medical students on the wards and in the operating room. The third edition keeps you current with all that’s new in the field, including ACC/AHA guideline changes and new uses of anti-coagulants, stents, and approaches to pain management.
