Attachment and Sexual Offending: Understanding and Applying Attachment Theory to the Treatment of Juvenile Sexual Offenders

This book provides a broad overview of the literature, theory, and clinical treatment of attachment deficit.

The book discusses the application of attachment deficit in understanding the etiology of juvenile sexual offending, as well as implications for treatment. Issues addressed include the components of attachment and social connection, attachment and the development of personality, neurology and attachment, the development of social competence, and consideration of whether attachment can be learned.
