Dementia Care: A Practical Photographic Guide

Rely on Ovid as the trusted solution that transforms research into results

Dementia care: a practical photographic guide is a unique illustrated guide to caring for people with dementia in care homes.

Dementia Care presents practical prevention and management techniques for resistance to care in common activities of daily living, explores cognitive loss, physical loss and sensory loss in dementia, and examines means of improving communication with those with dementia to enhance their understanding of their environment and improve their compliance in care.
