IFIS has been producing quality comprehensive information for the world's food science, food technology and nutrition community since its foundation in 1968 and, through its production of FSTA – Food Science and Technology Abstracts, has earned a worldwide reputation for excellence.

Distilled from the extensive data held and maintained by IFIS, the dictionary is easy to use and has been rigorously edited and cross-referenced. Now in an extensively revised and updated second edition, this landmark publication features:

* 8,612 entries including 763 new entries and over 1,500 revised entries
* Reflects current usage in the scientific literature
* Includes local names, synonyms and Latin names, as appropriate
* Extensive cross-referencing
* Scientific editing from the team at IFIS
