Walls Manual of Emergency Airway Management, The

This book’s practical, hands-on approach provides all the concrete guidance you need to effectively respond to any airway emergency, whether in the emergency department, ICU, urgent care setting, pre-hospital environment, or anywhere else airway emergencies may occur.

- Efficiently overcome any challenge in airway management with the aid of step-by-step instructions, mnemonics, easy-to-follow algorithms, and rich illustrations.
- Glean expert insights from a brand-new editorial team led by Calvin Brown III, MD, who is Dr. Walls’ colleague and protégé, and many of the same airway experts who teach The Difficult Airway Course™.
