This new edition of the popular "Fast Facts" guide to nursing education continues to provide a wealth of pragmatic information about preparing nurses to become top-notch clinical instructors.

Using real-life experiences, the guide follows the instructor from day one through clinical assignments to complete an entire rotation. Substantially revised, it includes:

Two new chapters:
- The role of simulation in clinical learning
- Sample letters of reference and how to obtain them

New or revised information:
- Case studies of negative experiences that illustrate what not to do as a clinical instructor
- New examples of online modules
- Changes in accreditation requirements
- How to foster student accountability
- Preparing for your clinical teaching assignment
- How to organize your semester regarding goals, communication with students, establishing student expectations, and more
- Changes in student and teacher liability
- How to identify and help weak students
- How to deal with punctuality and absences
- Safety concerns
