Certified Nurse Educator (CNE) Review Manual

Rely on Ovid as the trusted solution that transforms research into results

The third edition of this classic study guide for nurse educators taking the CNE exam continues to be the only concise review book to feature a systematic approach to exam preparation.

The CNE review, designed for use by both novice and expert nurse educators, incorporates all content areas designated by the National League for Nursing as essential knowledge in the field. It is formatted to closely reflect the test blueprint. Valuable features include case studies and critical thinking questions, Evidence-Based Teaching Practice boxes, Teaching Gems offering advice from practice experts, review questions at the end of each chapter, and a practice CNE exam with answers and rationales.

New to the Third edition: More in-depth focus on distance learning modes
New content on global initiatives
Additional information on interdisciplinary and interprofessional education
100 additional review questions reflecting a higher integrative and application focus
Designed for use by Canadian test-takers
CNE App available as separate purchase with updated Q&As and rationales
Key Features: Offers systematic approach to exam preparation
Closely reflects the NLN test blueprint
Highlights areas designated by NLN as essential knowledge
Includes case studies, critical thinking questions, 350 practice questions with rationale, and practice test
