Sixteenth century Venetian Ambassador and Renaissance Christian Luigi Cornaro was celebrated in his time for his stance on dietary self-restraint, moderate living, and living to the age of 103. For these hundred of years his classic book has survived as a renowned text on longevity and an inspiring treatise on the path of temperance that the author believed could lead anyone out of a state of illness and into a healthy long life.

The Art of Living Long contains Cornaro’s four discourses, respectively concerned with demonstrating his ideas through his own example, exploring the necessity of temperate habits, assuring a happy old age, and exhorting mankind to follow his rule. With introductions by Dr. Gerald Gruman and Joseph Addison, and additional essays by Lord Bacon and Sir William Temple.

Publication Year: 2005
Edition: 1st
Author/Editor: Cornaro, Louis
Publisher: Springer Publishing Company
Platform: Ovid
Product Type: Book
Speciality: Gerontology, Psychology
Language: English
Pages: 136
Illustrations: 0
Included In: Springer Publishing Gerontology Nursing Collection 2013
