Nursing Administration: Scope and Standards of Practice

Nursing administration is the work of any RN engaged in leadership or oversight of services or staff. The diverse frameworks of practice and distinct spheres of influence and authority of the nurse administrator are key elements of this newly revised second edition. It defines the scope and various levels of practice for nursing administration; outlines qualifications for these roles across all settings; and provides standards of care and professional performance for this complex nursing specialty. Meeting these standards of care is a requirement to receive Magnet Recognition.
