Written by oncology experts with more than 20 years experience, this concise, easy-to-read guide is an invaluable resource for newly diagnosed patients, survivors, friends or relatives of either.

Featuring the information you need in one concise, easy-to-read volume, this third edition is an invaluable resource for newly diagnosed patients, survivors, friends or relatives of either. This newly updated text features information on the latest, cutting-edge treatments and medication, Hodgkin’s and Non-Hodgkin’s lymphoma, natural killer cells, T-cell lymphoma, autoimmune diseases, and much more!

Key features include:
- Concise, easy-to-read paperback book
- Provides both the patient and health professional’s perspective on the non-professional caregiver caring for a cancer patient
- Written by an authoritative author team
- Practical answers to your questions about treatment options, quality of life, caregiving, sources of support, and much more
- Covers risks factors, management, and psychosocial issues
