Johns Hopkins Medicine Patients' Guide to Cervical Cancer

A concise, easy-to-follow “how to” guide that puts you on a path to wellness by explaining cervical cancer treatment from start to finish. This book guides readers through the overwhelming maze of treatment decisions, simplifies the complicated schedule that lies ahead, and explains in easily understandable language the often confusing task of putting together your plan of care. Empower yourself with accurate, understandable information that gives you the confidence to participate in the decision-making about your care and treatment.
