Preparing for The Occupational Therapy National Board Exam: 45 Days and Counting

A comprehensive overview for occupational therapy students preparing to take the National Board for Certification in Occupational Therapy (NBCOT®) exam

Containing more than just study questions, this comprehensive review guide is organized by domain areas and each subject is addressed according to the degree it is covered on the NBCOT examination. Corresponding workbook pages include specific references to occupational therapy curricula, enabling additional exploration of content that is challenging or unfamiliar. Health and wellness is also addressed throughout the book with test-taking strategies, study plans, goal sheets and other stress-reducing tips.
